Stop and Drop

In the morning, we have “Stop and Drop” to expedite the entrance for students. The following are reminders: Please do not get out of your car if you are in the stop and drop section. Pull over to the curb to let the student out. Do not block the crosswalk, and please come to a full stop at stop signs. The safety of our students is paramount. Similarly, when picking students up in the afternoon, please do not block our neighbors’ driveways, crosswalks or fire hydrants.

COVID-19 Updates

Please continue to report positive COVID cases to the school. To date, we have had 11 positive student and staff cases. Each student should be bringing home 4 tests (usually two test kits) per month. Students who are positive, need to stay home for 5 days after testing positive. A mask must be worn when returning to school for days 6-10. If you ever have any questions or need additional test kits, please contact me at school.

Transportation

If you have any bussing questions or issues, Ms. Dawn and Ms. Sandy are the two point people on bussing for PS 3. Both can be reached at 718-984-1021.

Thank you,
