

Hello,

As you may know, all students entering NRHS are now required to scan their ID cards to gain entry. This means that every student must have their ID card. New ID cards were distributed to students earlier this month. Any student who does not have an ID can pick it up at the Security Office.

Beginning Friday 1/16/2015, students will no longer enter NRHS from the teacher's parking lot entrance, the House II bridge entrance or the Administrative parking lot entrance.

Students will be directed to enter through the Whitney Young Auditorium entrance on Clove Road. Students may also enter through the main "Embassy" entrance on Clove Road. Additionally there will be student entry at two entrances at House IV (the new wing) and the night school entrance under the House IV bridge. These will be the only entrances available for student entry in the morning.

These entrances will be open for students between 7:00 AM and 8:30 AM. At all other times students will enter through the main "Embassy" entrance on Clove Road. All visitors must also enter through the main "Embassy" entrance on Clove Road. Visitors may also enter through House IV.

Limiting entrance points into the school will enable us to provide a more secure campus for all students and staff. I thank you in advance for your cooperation.

Reginald Richardson,
Principal
