COMMENTS

Campus Expansion Update: We were surprised and excited to find that a Red-Tailed Hawk just nested in one of the trees on our new property. Our project biologist has confirmed that we have an “active nest” so the construction team needs to ensure that their equipment does not disturb the hawks or their new fledglings. We look forward to educating our students about the incubation period for hawks while we patiently watch and wait. There is a reason we selected the “CMP Hawks” as our mascot. ☺ In the meantime, the three construction companies continue their off-site work on the classroom buildings, the multipurpose room and the underground utilities and fencing projects.

CAASPP/SBAC Testing: The 3rd grade students have completed their testing, while the 4th, 5th, and 6th graders completed their last tasks today. Next week brings the CAASPP/SBAC testing for our Middle Schoolers, along with the STAR Science testing for our 5th and 8th graders.

Annual Spring Fundraiser: We are “flying high” as we enter the final stages of our preparations for this year’s SUPER HERO themed spring fundraiser. The event will be hosted on Saturday, May 17th from 3:00-7:00pm and the community is abuzz with super hero sandwich selections, super hero games and activities, class raffle baskets, and our favorite ... student artwork to be auctioned off. We look forward to this fun-filled community gathering.
