## COMMENTS:

November and December are very fun and full months at the American River Campus. The students by now are completely normalized. Going into the classrooms is an absolute joy. Seeing the children fully engaged in their Montessori jobs and extensions is such a highlight and makes that love light shine brightly. Turkey, mashed potatoes, gravy and Friendship Soup galore could be seen on the Friday before the Thanksgiving Break. Currently, many classrooms are preparing for their annual Winter Performance. Also, our Apex Fundraiser is underway and the feedback from our students and teachers has been very positive. We continue to build solid connections between school and home via our classroom newsletters, campus-wide newsletter The Current, classroom Parent Meetings/Gatherings, monthly Principal Cafes, and being a presence at our morning and afternoon loop.
