What is Google Classroom?

Think of Google Classroom (GC) as your child's digital link to learning.

Teachers use GC to share assignments, homework, newsletters, and much more with students AND parents!

Getting Started

Your child was provided with a secure login and password that is unique to them.

3rd Grade Example:
Derek Jeter

The screenshot shows the Classroom app interface for a class named "3rd hour Science". The top navigation bar includes a menu icon (1), the class name (2), and tabs for Stream (3), Classwork (4), and People (5). On the right of the top bar are a waffle button (6) and a profile picture (7). The main content area features a header image with the class name and a background illustration of tools. Below this is an "Upcoming" section (8) with a message "Woohoo, no work due soon!" and a "View all" link. To the right is a "Share something with your class..." input field. At the bottom is a section (9) titled "View class updates and connect with your class here" with a sub-link "See when new assignments are posted".
