HUMAN RESOURCES EMPLOYMENT NEEDS: TA & CTC SUBS**Happenings on the CMP Carmichael Campus:**

A portion of the 300 wing is now ready for occupancy, and the Penguin Class (currently in 700) and Occupational Therapy (currently in 600 wing) will move into their new rooms over the winter break with the help of parent volunteers.

The Harvest Festival was a huge success. Our new families are always amazed! All classrooms celebrated with Thanksgiving Feasts, and a special assembly brought us all together to talk and sing about what we are thankful for. Our great campus was mentioned several times.

The parent/teacher conferences were well attended. The survey results were very positive, and some useful suggestions were communicated which were shared with the teachers.

Calls and emails are already coming in requesting Tour dates for next year's lottery. Tours will be weekly beginning in January.

We will be ready to move into the remainder of the 300 wing this summer to house the lower elementary classes currently in the 600 wing, as well as the Reading Lab from the 500 wing. This will allow another upper elementary class to be opened in that space.
