VOLUME 14, ISSUE 19

FEBRUARY 11, 2016

**No school tomorrow, Friday, February 12th
Club M Open**

**All CMP operations, including Club M, CLOSED, Monday, Feb-
ruary 15th**

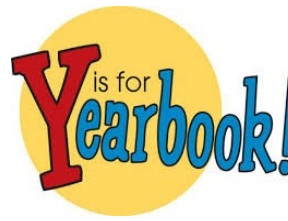

Thank you for supporting our World Faire with donations, volunteering
or taking tours of the classrooms. Everyone did a fantastic job showing
off their continents, countries, oceans and routes!

Middle School Math Curriculum Adoption

The CMP network is currently looking at adopting a math curriculum for middle school. All campuses have been piloting programs throughout the year. Go Math!, California Math and Digits will be on display for you to view February 24-25 at the Bradshaw site from 3:15-6:00pm.

In March, we will also be having a High School Fair at Bradshaw. Look for more information next week.

Have you taken a field trip to the B Street Theater or the Train Museum? Were you a chaperone for a week at Sly Park? If so, we're sure you took some great pictures and we'd love to see them. The link to upload pictures for this year's yearbook is ready! Please remember you can only upload pictures, you will not be able to download or copy pictures from the site. <http://edo.entourageyearbooks.com/YearbookLogin.asp?YBID=7A0DOC1F18>

Club M News

Tomorrow, Friday, February 12th, Club M intersession will be open at the Bradshaw site. If you signed up in the office we will see you there! Please remember to pack a lunch and snacks for your child(ren) to eat and to bring a water bottle. All operations will be closed Monday, February 15th and will resume Tuesday, February 16th.

Please remember that on Early Release Days Club M WILL NOT be warming up lunches.

This includes all students at both sites. We move around and do not always have access to a microwave at this time. Thank you for understanding and for sending a **cold lunch** for your child(ren) on these days.

Mark Your Calendars

February 12th Intersession School Closed/Club M OPEN

February 15th President's Day School Closed/Club M Closed

February 17th ERD (Early Release Day) Club M open (cold lunch)

March 2nd ERD (Early Release Day) Club M open (cold lunch)

Upper elementary did not have a game this week and does not have practice today. The middle school team played hard and came closer to winning this week. Keep up the hard work!

Potting Soil Needed

The Onyx and Jasper Classes are participating in a science investigation through the Monterey Bay Aquarium. The students are designing weather instruments, water-wise watering methods, and developing observation protocols. They are in need of potting soil for their projects. You can log your donation as parent participation hours; every \$20 is equivalent to 1 participation hour.

March 10th CMP & APEX Fun Run

The PTFC and Fun Run Committee have been meeting and teachers have chosen games and themes for their raffle baskets! Emails will be sent out through the office from your classroom parent representatives. Please be sure to respond to the parent rep's email address and not to the office to ensure response.
