

GIRL SCOUTS TODAY. FRIENDS FOREVER.

Be silly with friends and try new things—that's what you'll do in Girl Scouts! You'll learn about all kinds of things by playing games and working on fun projects with your Girl Scout sisters. You'll have a blast earning badges for trying cool stuff—like spending time in the outdoors, making robots, and designing your own board games.

Did you know Girl Scouts love to help? From food drives to recycling, planting trees to thanking local police and firefighters, girls like you are making their neighborhoods, schools, hometowns—and beyond!—better places to play, work, and live.

As a Girl Scout, you'll feel proud, confident, and excited for the next new adventure.

Your girl has had to “press pause” on so many things. Girl Scouts is here to help by offering virtual learning experiences, real fun, and ways to meet new friends.

To help prevent the spread of COVID-19 and reduce the potential risk of exposure to our employees and volunteers please do not attend this event if you have potentially been in contact with anyone that may have COVID-19 in the past 14 days. Events will follow CDC guidelines. Face masks will be required for all participants who attend this event. This state mandate will apply to individuals over the age of 2. Attendees will need to stay at least six feet away from others and practice everyday safety steps.
