Additional Information:

One of the highlights of November was our First Harvest Festival. The classrooms participated in a scarecrow contest, and families were able to “bid” one of their choice. All of the scarecrows were amazing, but one class’s scarecrows definitely caught the administrations’ eyes. 😊

After a lovely Thanksgiving Break, students and staff returned to school ready to take on December. As the middle school students participate in their college fair week (visiting many of the different local colleges and training centers in the Sacramento area), the upper elementary students are preparing for their Annual Wax Museum. This year they will be performing twice; once at the Bradshaw site and then again at the Elk Grove site. They are very excited to “take the show on the road” and share this experience with the other lower elementary students. Also this month, while several of the classrooms will be having a “Theater Experience” at the B Street Theater, others will be enjoying an on-site fieldtrip.

The Bradshaw site is currently holding its first Scholastic Book Fair. It is exciting to be able to use the Multipurpose Room this way and we look forward to even more opportunities.

Our parent events this month include (the above mentioned fieldtrips) as well as our last *7 Habits Training* on December 13th, a Winter Performance put on by the students at the Elk Grove site on December 19th, and the Coral and Turquoise classrooms will be performing for families on December 20th.
