COMMENTS

Our “Field of Dreams” officially opened for play with “Buddy PE” bright and early Monday morning, March 4th!!! The installation team gave us the good news that the sod had rooted and was ready for activity. The Eucalyptus 4th – 6th graders paired up with their Mimosa K-1st Buddies to help cut the ribbon and romp across the field hand-in-hand. Throughout the day, we saw children doing cartwheels across the lawn, playing Monkey in the Middle, or just running laps across the grass. It was a joyous day for all of us and our school community should be proud of the many years of fundraising and hard work that brought our dream to life!

The school-wide Assembly last week focused on Friendship, and we celebrated with a Spirit Day based on the characters of Dr. Seuss books. Each class selected a different book for their classroom dress theme. In addition, the students participated in the “Read Across America” program sponsored by Accelerated Reader. We participated in a nationwide effort to break the record set last year for the most Accelerated Reader quizzes taken on a single day! We also saw several additional students join the Million Words Read Club. Our focus on reading culminates with our Scholastic Book Fair next week.

The 4th and 7th graders participated in the STAR Writing Test this week. We had quite a few students out ill with the recent flu bug making its way through the community, but we were able to schedule the appropriate make-up tests on our scheduled day.

Teachers and students are busy getting prepared for the upcoming Parent-Student-Teacher Conferences which will, in many cases, be lead by the students. They are looking forward to sharing their portfolio work in addition to their current Assessment Reports.
