Calendar Survey Results continued...

As you may recall, a stakeholder survey of the annual school calendar was distributed in October. We would like to thank all of you for your participation. Your input gives us valuable information on how we can best serve our school communities. The results were in alignment with our current school calendar and some of the highlights from the survey include:

Very Satisfied/Satisfied %:

- Mid-August school start date - 57%
- Two week closure at Spring break - 56%
- Preference of Wednesday for Early Release Days - 67%
- Evenly divided on winter break closure of two (58%) vs. three (57%) weeks

As the CMP Administrative Leadership team develops our 2017-2018 school year calendar, we will be thoughtfully considering input from all stakeholders, while balancing the need to maintain the required 180 days of academic instruction for our students.

The results from the parent survey are also in this Montessorigram for your review, and again, *thank you* for your input. Should you have any questions, please do not hesitate to contact Ms. Kathleen at kmmerz@cacmp.org.
