## SEPTEMBER/OCTOBER 2016 WELCOME TO PRE-K

### *Dear Families,*

Welcome to Pre-K! My name is Ms. Douglas; I am your child's teacher in PS/IS 262. Ms. Youman will also be with us this year. We are very excited about all the families that will be part of our class this year and can't wait to get to know you better and get this school year started off on a great note!

To start our exciting activities planned this year, our first unit, **Welcome to Pre-K** will be focusing on getting to know one another and building friendships. We will go over classroom routines extensively and do many activities centered on working together. This will allow every child to feel a part of our classroom community and feel more comfortable in the classroom and with teachers.

In October, our unit, **My Five Senses** will guide children to explore our natural environment using their senses. Through various interdisciplinary activities, such as apple tasting, children will develop science skills, self-expression, and identify personal preferences. Through support in cognitive and language development, we will encourage children to observe and describe what they see, hear, touch, taste and smell.
