### GOVERNOR'S SUMMER READING CHALLENGE 2022 TOP PERFORMING SCHOOL

June 2023

Dear Students and Parents/Guardians,

Research indicates that the only way students become better readers is by reading. In order to instill a love of reading in our students, we need to encourage our students to read all year long, and summer is an important time for them to read for enjoyment. Reading can fill your adolescent's days with the love of stories and the fascination of factual reading. Therefore, this summer we will offer Shelton's Summer Reading Program.

Students entering Grade 11 will be receiving a copy of Laura Schroff and Alex Tresniowski's *Invisible Thread* to read. Here is the link to an online version: [Invisible Thread](#). During the first week of school, they will be required to write an essay specifically related to the text for a quiz grade. While students must read the selected mandated text, we encourage students to read additional books for pleasure over the summer months.

The success of this program depends heavily upon your support as parents and guardians. Our shared commitment will help your students to become critical readers and thinkers while developing a life-long love of reading.

Best Regards,

*Kristen Santilli*

Director of Curriculum, Instruction, and Data Pre K-12
