

Mrs. McGlasson's Weekly Newsletter

May 11-14, 2020

This is our last week of assignments. Thank you for all of your hard work and for staying on top of all your child's assignments!

This week's reading is "Ben & Now" by Gene Barretta.

Please remember that these assignments are pass or fail. Doing the assignments means you pass, not doing the assignments means you fail.

Please remember to send me a picture of each assignment. All work must be turned in by Monday the 18th. Thank you!

Esta es nuestra última semana de tareas. Gracias por todo su arduo trabajo y por mantenerse al tanto de todas las tareas de su hijo!

La lectura de esta semana es "Ben & Now" de Gene Barretta.

Recuerde que estas asignaciones son aprobación o fallan. Hacer las asignaciones significa que pasas, no hacer las asignaciones significa que fallas. **Por favor, recuerde enviarme una foto de cada tarea.** Todo el trabajo debe ser entregado para el lunes 18th. ¡Muchas gracias!

ClassDojo is a very easy way to send pictures of completed work and a better way for me to keep it all organized.

ClassDojo es una manera muy fácil de enviar fotos de trabajo completado y una mejor manera para mí de mantenerlo todo organizado.

Name: _____

Monday 5-11-2020

ROOT WORDS

VOCABULARY STRATEGY

ROOT WORD = A simple word that is part of another word; a base word. A root word can be made into other words by adding prefixes or suffixes.

You can often figure out the meaning of an unknown word by looking for a root word you know.

Directions: Read each sentence that contains an underlined word with a root word. Then, write the root word and the prefix or suffix.

Sentence	Root Word	Prefix or Suffix
I was <u>unable</u> to open the heavy door by myself.	able	un
We had to <u>reheat</u> our left-overs.		
My painting was so <u>colorful</u> .		
I wanted to <u>reread</u> the book since I enjoyed it.		
I treat all my friends <u>kindly</u> .		
We had to <u>preheat</u> the oven before cooking.		

Monday 5-11-2020

Name _____

Solve each problem then cut them out and paste in the correct column.

631 _____

Round the numbers to the nearest hundred!

Make your own volcano to learn about physical and chemical changes.

Wed. 5-13-2020

Name: _____

You'll need:

a bottle

a baking pan

1 cup vinegar

1 tablespoon baking soda

red food coloring

dirt or clay

1. Pour the red food coloring into the cup of vinegar.

2. Pour the red vinegar into the bottle.

3. Place the bottle on the baking pan.

4. Shape dirt or clay around the bottle to form a volcano. Leave the mouth of the bottle open.

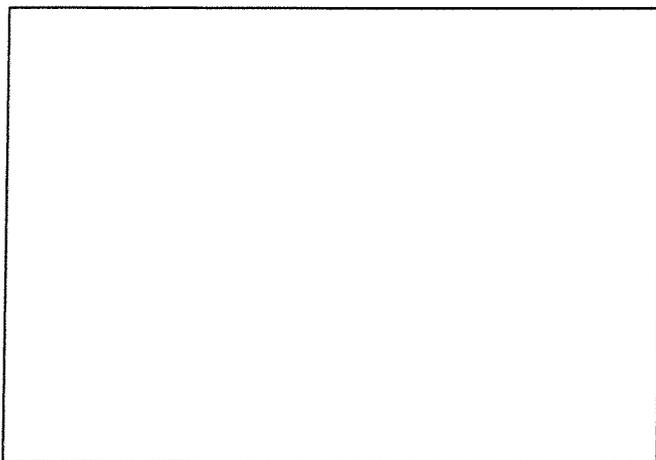

5. Pour the baking soda into the bottle, and observe.

What are some properties of the vinegar?

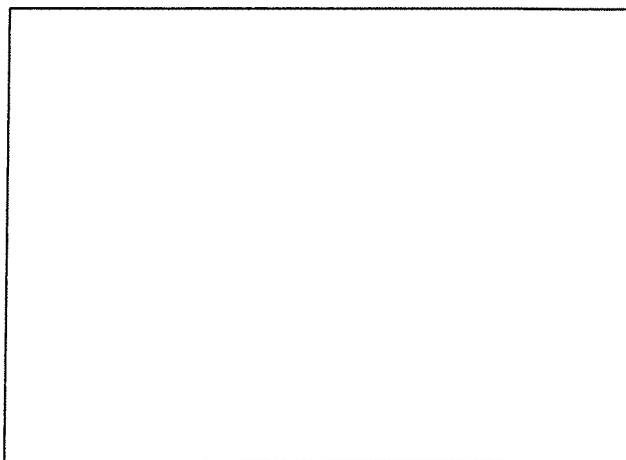

What are some properties of the baking soda?

What happened when you mixed vinegar with baking soda? Draw a picture.

Before they mixed:

After they mixed:

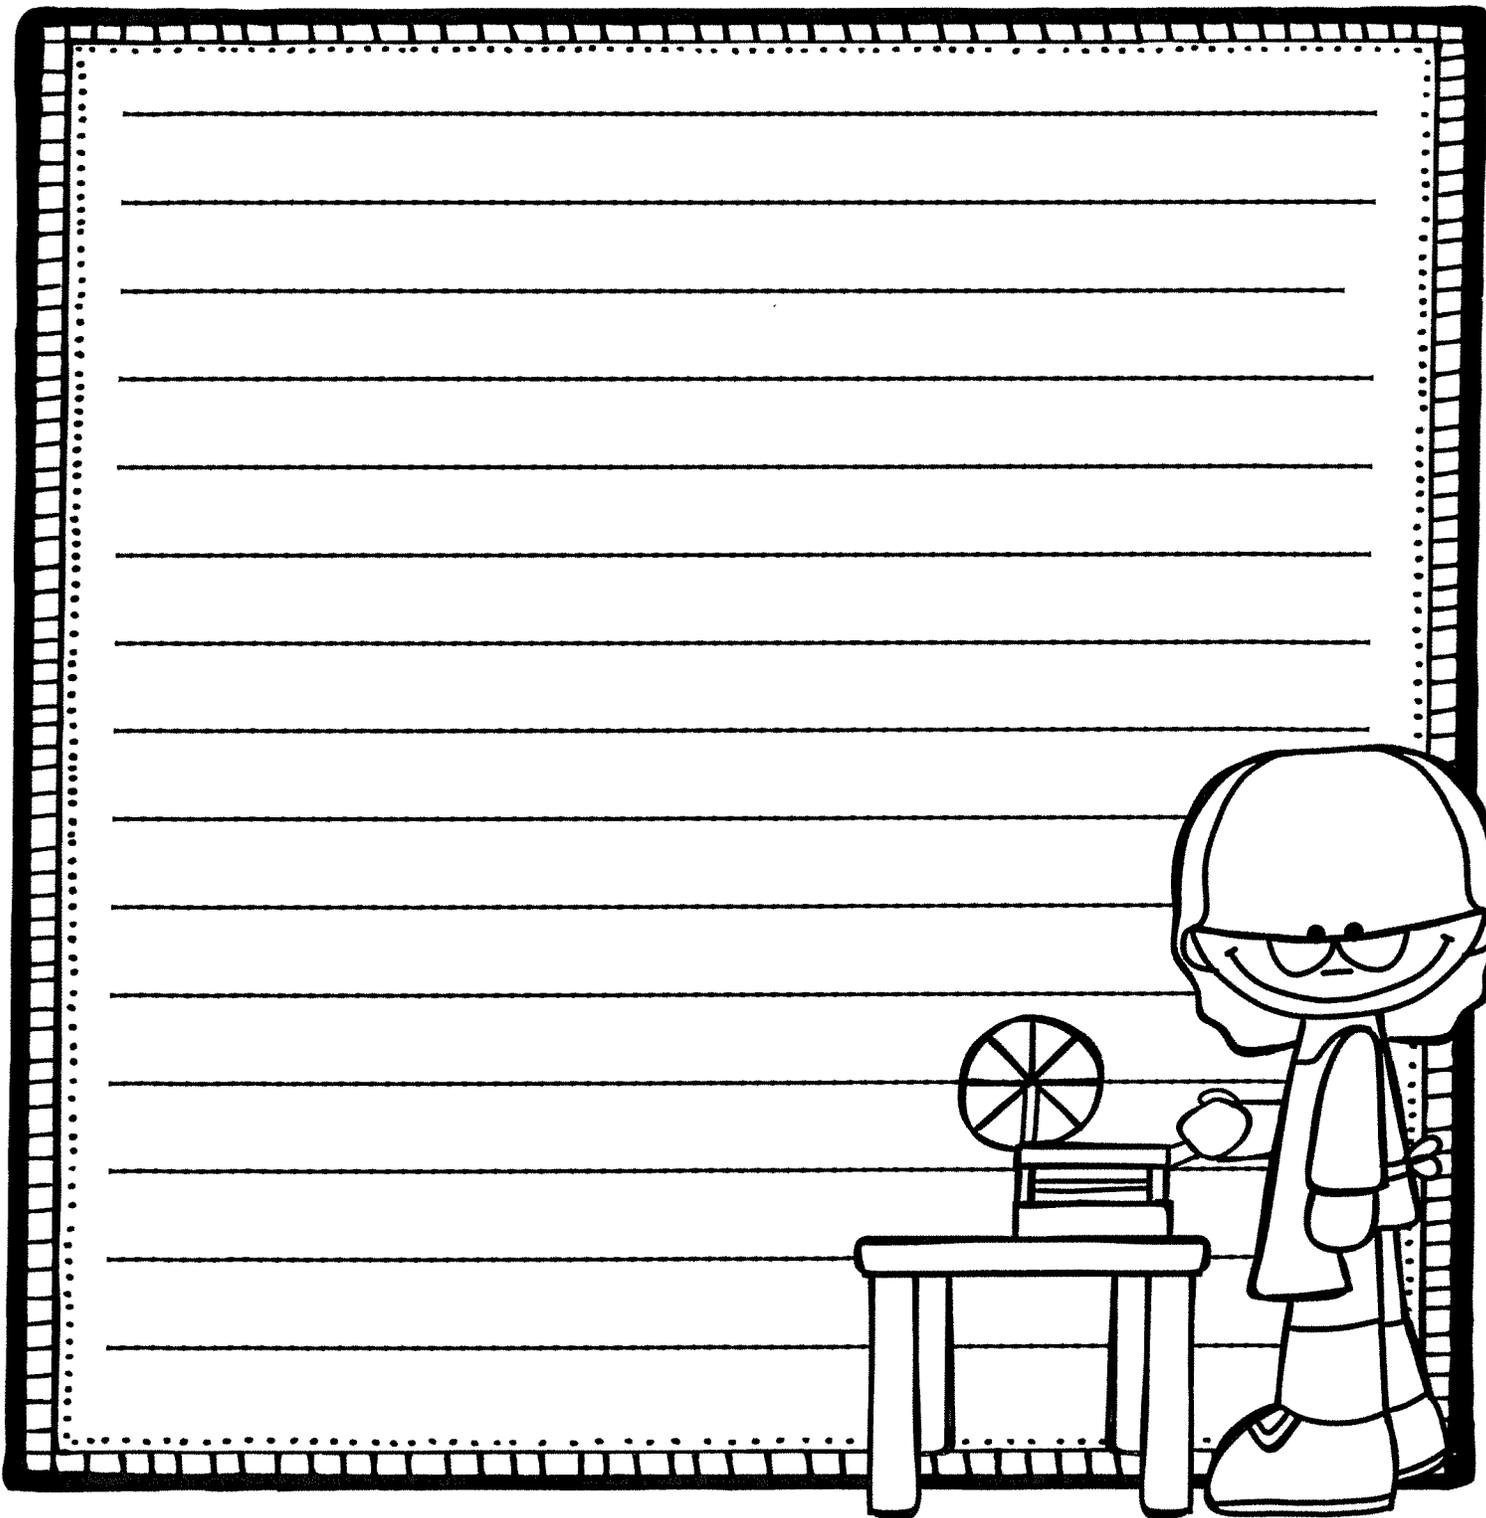

Is this is a physical or chemical change? How do you know?

Name: _____ Wed. 5-13-2020

inventions

Directions: In "Now and Ben", Ben Franklin created many inventions that are still used today. Think of an invention you could create that might still be used in the future. You can think of an object and how it could be improved, or you could create a totally new object or machine.

The writing area is a large rectangle with a decorative border consisting of a solid line, a dotted line, and a grid pattern. It contains 15 horizontal lines for writing. In the bottom right corner, there is a cartoon illustration of a person with glasses and a lab coat standing next to a table with a mechanical device on it.

Thur. 5-14-2020

Virtual Field Trip to the Mysuru Zoo

Watch the 25 minutes YouTube video below:

<https://www.youtube.com/watch?v=MUB7HHeuNbc>

Draw a picture of one of the animals and tell me one interesting fact you learned about the animal from watching this video.

What is one interesting fact you learned about a zoo while watching this video?
