## HUMAN RESOURCES EMPLOYMENT NEEDS:

### Campus Happenings:

CAASPP Testing went well with very few glitches. Our new CMP network is such a blessing, especially for this on-line testing. Science and Physical Fitness testing will wrap up soon.

The final lottery was completed with numbered wait lists for all grades. We currently have 17 seventh graders for next year!

Our annual Continent Party event was wonderful. I enjoyed touring “the world” and seeing all of the hard work the students put into their reports and displays. I was amazed at the amount of food the parents provided.

The end-of-year upper elementary milestone field trips are coming up this month. The Friday pizza lunch fundraiser has brought in a nice amount to cover any shortages of fees, and may also allow some money back to parents from their contributions.

This year our campus will do a Moving-up Ceremony for all grade levels. The students moving to the next curriculum level will be especially recognized (Kindergarten to First / Third to Fourth / Sixth to Middle School), but each grade will “move” positions to the next grade’s spot.

Events for the remainder of the year will be Mother’s Day Teas, Parent Appreciation Ice Cream Social, and of course Teacher Appreciation Week!
