COMMENTS

On November 16th, we had a campus-wide day of activities and food related to "giving thanks" and gratitude. The students participated in art projects, service projects, and demonstrated their outstanding grace and courtesy skills with their peers and parents that were on campus helping. The students all built up a healthy appetite from the Jog-A-Thon that was held the day before the festivities and the food was plentiful.

Gary and Mickey came to our campus for their annual Montessori visit on November 20th. It was a great opportunity for them to see our campus in the full swing of things. The teachers always enjoy "showing off" their classes. I have also completed observing all of the teachers for their formal lesson observation and will be meeting with them during the week of December 9th.

This week we will have our kindergarten winter performance and our middle school students will be on their business internship.
