HUMAN RESOURCES

Employment Needs:	Read Naturally TA
-------------------	-------------------

- Teachers are busy preparing Fall Progress Reports in order to prepare for their conferences with students and parents next week. With all of our recently completed assessments, information is at our fingertips for preparation of these reports.
- We are having two assemblies this month. The first is our BEST Assembly on Friday, October 19th. We use this opportunity to acknowledge students and staff who are committed to being the BEST they can be. Our secondary focus this past month has been on “Safety”, whether it be on the playground, in the classroom, or at home. Teachers have been incorporating the topic of the month in their lessons and classroom discussions. Our second assembly is our ING: Run for Something Better Assembly. The CMP-EG campus will be accepting an award of \$2,000.00 to be used towards the implementation of a fall running program.
- In addition to the ING award, the CMP-EG campus also received \$2,000.00 from Target for a grant written in the 2011-2012 school year. The monies are going to go towards purchasing books to support the classrooms’ library.
- October 31st is our annual Continent Party. Each classroom conducts a focused study on a continent of choice. As a culminating event, the students and families are invited to “travel the world” by visiting the various classrooms where there is artwork, research projects, artifacts, and samples of food for the visiting travelers. We will also be celebrating Red Ribbon Week that week!
