It's The Last Month of School!

The school year is quickly coming to a close and we have had a blast in Club M this school year with the different enrichment activities! The Club M staff are thankful for all of you for giving our enrichment activities a chance for the first time, but the fun doesn't have to end! Summer Intersession begins on June 19th. We will have a variety of fun enrichment projects and activities, as well as themed days—something for everyone to enjoy! The 2017-2018 Club M contract and rates for the Summer Intersession are available in the front office. We look forward to seeing you for the last bit of the school year and join us this summer too!
