Tutoring

Please remember on weeks with an Early Release Day, tutoring is one day a week, on the Early Release Wednesday, for two hours, and an hour for lunch. An exception to this rule, is Ms. Ashley's tutoring class, which is held on Tuesdays and Thursdays. We also ask that you provide a **cold lunch** on these days and leave the warm-ups for full class days.

Have any used and unwanted paper?

For her Student Activist Project, Maddie is collecting used and unwanted paper. She will turn your used paper into pulp and create handmade paper. This paper will be sold at her booth during the Art Walk. All proceeds will be donated to the World Wildlife Fund. You can find donation boxes in either office.

Thank you for helping!

Summer Packets Update

We have been asked to hold next year's Club M agreement for further editing; summer packets **WILL NOT** be out today because of this. As soon as the agreement is released by the Central Administration Office, packets will be available to print from our website and in the office. To better help you prepare, the first sign-up will be due May 26th for the month of June. I apologize for the inconvenience.

The summer program runs from June 13th- August 5th. We will be **closed** the week of July 4th-8th. If you have any questions please email, Ms. Rosemary at eg-clubm@cacmp.org

We hope to see you there!!

Please remember that on Early Release Days Club M WILL NOT be warming up lunches. This includes all students at both sites. We move around and do not always have access to a microwave at this time. Thank you for understanding and for sending a **cold lunch** for your child(ren) on these days.

Art Walk

Along with touring classrooms, looking at student-created art and bidding on classroom pieces, we are also looking for some talented kids and entrepreneurs to participate in the event. All of you who have been wanting to perform or sell your homemade crafts can sign-up to perform or run a Student Vendor Booth during the Art Walk on May 11th. Participation packets are available in both offices and online. Performers will need to attend practices in order to participate.

Yearbook Photos

Have you taken a field trip to the B Street Theater or the Train Museum? Were you a chaperone for a week at Sly Park? If so, we're sure you took some great pictures and we'd love to see them. The link to upload pictures for this year's yearbook is still available. Please remember you can only upload pictures, you will not be able to download or copy pictures from the site.

Upper Elementary Student Activist Projects

The upper elementary students are working on their student activist projects. They have been asked to look into their heart and pick an issue facing our community, environment, or world, then choose a cause, or organization associated with that issue. They are researching that issue and an organization to get involved with. You may see some flyers and boxes asking for simple things such as newspaper, used copy or writing paper, old blankets, etc. We appreciate anything you can help with!
