Academic:	29
Spch/Lang:	43
OT:	17

HUMAN RESOURCES EMPLOYMENT NEEDS:	Subs for CTC, TA & CM
--	-----------------------

COMMENTS:

The Harvest Festival on November 2nd was a huge success. It was very apparent from evening that our goal to maintain a close family atmosphere at our growing campus is successful.

The fifth Kindergarten classroom that was to open in January will not occur. The teacher returning from maternity leave has made the decision to be on our sub list only. Therefore, our teacher in the smaller Kindergarten room will move over winter break to the larger room and will have 6 additional students start in January. The teacher and her assistant are very happy with the move to a larger room that has great storage and a sink.

The Learning Center is running smoothly serving both students with IEP's (Individual Education Plans) and those in RTI (Response to Intervention). The Special Education Team is fabulous and works closely together with the administrative team and academic staff to provide services for the students in need and support for the teachers.

Carmichael Campus just held its first Spelling Bee. The winner from 4th-8th will go onto the regional competition. To encourage the younger students in spelling, the 1st through 3rd graders also competed and the winner received a trophy, as well. We have also begun the Odyssey of the Mind program at the school with the support of staff and parents as coaches. The Science Center is being utilized and will continue to be developed with additional fundraising.
