FIRST GRADE NEWS

ICST WILL BE **CLOSED**
MONDAY, MAY 30, IN
OBSERVANCE OF

May is.....
Healthy Vision Month

National eye health observance established by the National Eye Institute (NEI) in May 2003. NEI is part of the National Institutes of Health (NIH), an agency of the U.S. Department of Health and Human Services. Help us to raise awareness in your community about eye health and the importance of eye examination through dilated pupils. We all have a role to promote the safety and health of the eyes. Make an appointment today for an examination of the eyes. Visit [www.nei.nih.gov / hvm](http://www.nei.nih.gov/hvm) to learn more.

"Corner of Thought"

"You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose." - **Dr. Seuss**

LOOKING AHEAD...

Monday, May 23 - 3rd & 4th grade to Camden Aquarium

Wednesday, May 25 - 2nd grade to Tulpehaking Nature Center

Friday, May 27 - Beachwear Dress Down day - \$1.00 & celebration for month 2: 00p.m - Please coordinate with your child(s) teacher if you want to send food or a treat on this day.

What's Happening in First Grade?

This Marking Period: Animal Projects

Can we combine writing, math, and social studies? We are ending the year in a fun and exciting way; the first graders will be making animals out of boxes. They chose cats, dogs, crabs, turtles, lions, and pigs. We will research information together, and they will write reports on their animals. We will have a "petting zoo" to share with the school when we are finished.

Quick Fact: Cats

Size: up to 28 inches

Weight: 6- 10 pounds (but some can be 28 pounds)

Lifespan: 12-18 years

Did you know? The cat is the most popular pet, and there are over 600 million cats in homes around the world.

Thanks for exploring with us!
