

ROSETTA STONE
CAPITOL CAMPUS
CALIFORNIA
MONTESSORI PROJECT

Our Executive Director's Vision

Every child will have access to foreign language learning, beginning at the Kindergarten level.

The foreign language program will:

- incorporate multiple modalities
- promote practical life skills
- inspire students to learn more about other cultures
- allow students to choose their language of preference
- allow students to learn at their own pace
- allow students to build on prior year's experience

Benchmarks for Grade Levels

Kindergarten

- With adult support, students should experience 15 minutes of foreign language with Rosetta Stone per week in the classroom and an additional 15 minutes per week at home.

6 - 9 (1/2/3)

- Students should experience 30 minutes of foreign language with Rosetta Stone per week.

9 - 12 (4/5/6)

(approx. 30 minutes per week with a max of 15 minutes assigned as homework per week)

- Students should complete two consecutive lessons per week mastering lessons to Rosetta Stone Standards.

Middle School

(approx. 35-50 minutes per week with a max of 20-25 minutes assigned as homework per week)

- Students should complete three consecutive lessons per week passing all sections with a as recommended by Rosetta Stone. Teachers may offer more language enrichment and application opportunities through electives and homework assignments.

It's official! Your student's Rosetta Stone account is ready to use at home and at school!

STAR Math

- ▣ Benchmark assessment given at least 5 times throughout the year
- ▣ The test gets harder/easier (computer adaptive) based on student performance.
- ▣ Parent report will go home to parents with progress reports and report cards This is also true for STAR Reading.
- ▣ This assessment is one piece of all the assessments and work that students do. Results generally tell you if the student is below, at, or above grade level and should be incorporated in with other assessments and perspectives of a student's ability.

STAR Math Scores

SS: 470 (Scaled Score)	■ At/Above Benchmark	Landon's Scaled Score is based on the difficulty of questions and the number of correct responses.
PR: 76 (Percentile Rank)		Landon scored greater than 76% of students nationally in the same grade.
GE: 2.5 (Grade Equivalent)		Landon's test performance is comparable to that of an average second grader after the fifth month of the school year.

Domain Scores

Pre-Kindergarten-8 Operations and Algebraic Thinking: 82 Number and Operations in Base Ten: 54 Measurement and Data: 41 Geometry: 89	Domain scores, ranging from 0-100, estimate Landon's percent of mastery on skills in each domain at a second grade level.

Math Recommendation

Accelerated Math™ Library: Grade 3	If you are using the Accelerated Math™ management software system with Landon, assign the Grade 3 library. This library should provide a good match for his or her abilities.
------------------------------------	---

Accelerated Math (daily practice)

- ▣ Individualized assignments tailored to the students knowledge. Students are assigned a library of objectives. The minimum expectation is that students are MASTERING 2 objectives a week.
- ▣ 4 different types of assignments: Practice, Exercise, Regular Test, Diagnostic Test. (see handout)
- ▣ Diagnostic: Given first before a lesson
- ▣ Practice: Given after objective has been introduced
- ▣ Exercise: Given if student still needs practice after testing
- ▣ Test: Computer generates test after student has practiced objectives sufficiently

Math Facts in a Flash (Daily Practice)

- ▣ To be used only when students are ready for abstraction.
- ▣ Students should work for about five minutes a day.
- ▣ In some classes, Math Facts in a Flash is used as part of homework

and love to read?

What is STAR Reading?

- ▣ STAR Reading is one of the assessments that we use with students to get a rough estimate of their reading level.
- ▣ Students read sentences and passages with missing words and must choose the word that best fits in the blank.
- ▣ As in STAR Math, the test is adaptive: if the student is doing well, the text gets harder. If they are not, the sentences get easier.

My name is Li Jin, and I traveled here from China in 1849. People didn't speak the same in California, but everyone liked to eat. So Father, Grandmother, and I gathered our money. We opened the first and finest Chinese grocery store in California.

Who is telling this story?

1. Father
2. Li Jin
3. Grandmother

What books should students choose?

How can I best support the students?

- ▣ Read to and with your child! Children are welcome to take quizzes on books with which they've needed help.
- ▣ Support their independent reading! Know what level the students are on (ask the teacher if you're unsure) and feed them high-quality books about topics that interest them!

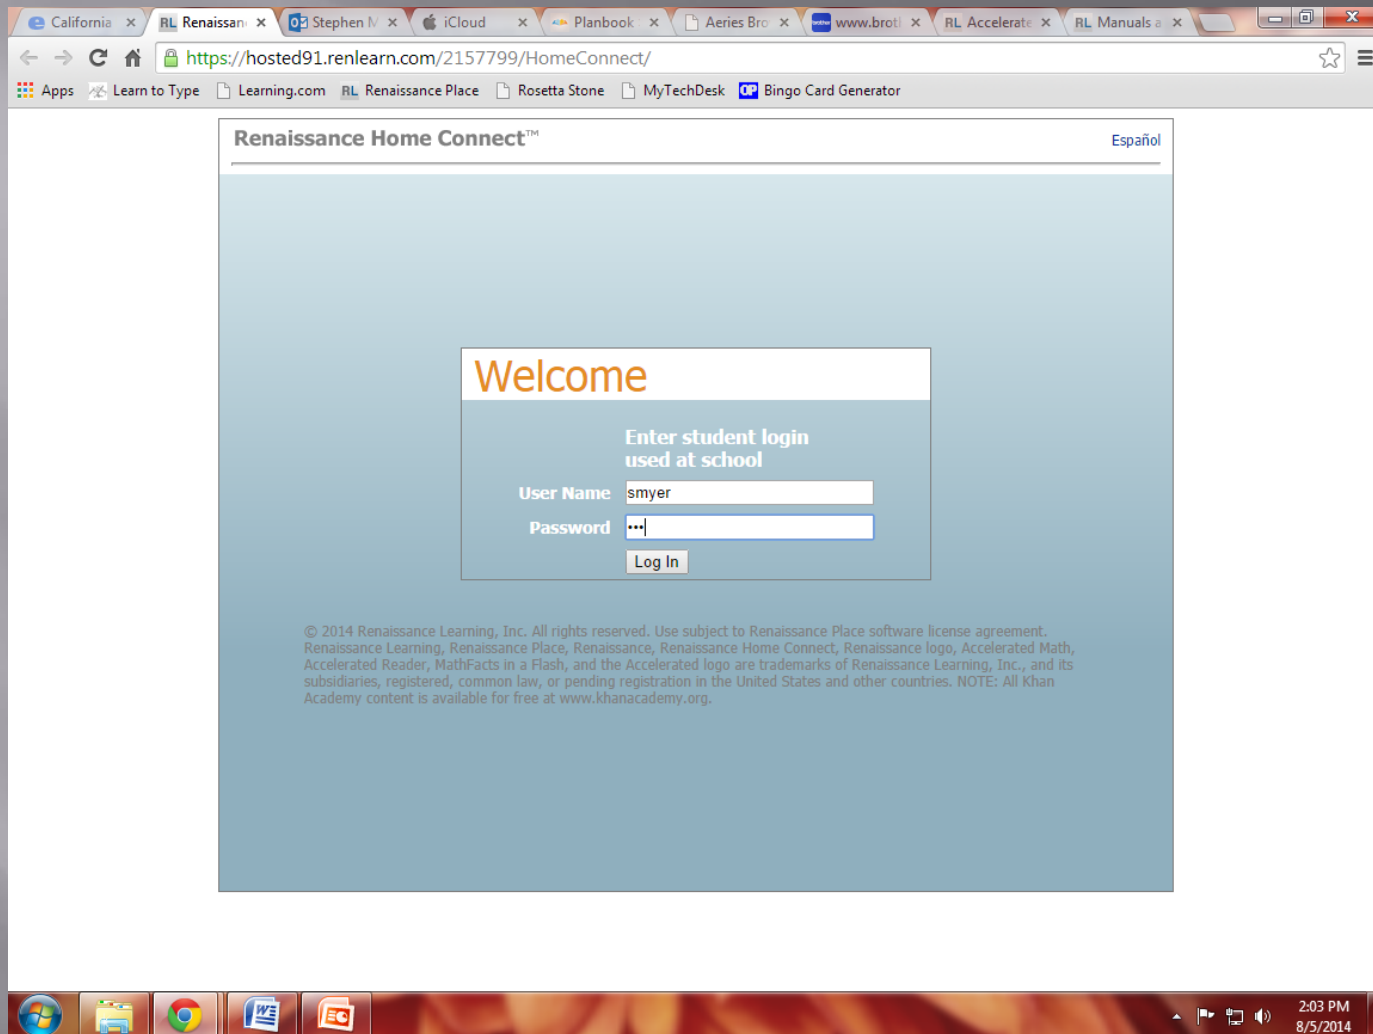

Home Connect

- ▣ Link is on the CMP homepage under technology.
- ▣ Gives parents access at home and sends home quiz scores.
- ▣ Allows students the ability to work at home in Accelerated Math and Math Facts in a Flash.
- ▣ Allows students to look up books within their ZPD and access bookshelf.
