Dear Parents,

As a reminder, the safety of our students should be our top priority. I have been informed by numerous parents and students who walk to school that many people are not stopping properly at the stop signs around the building. To avoid potential accidents, please drive slowly and stop at the signs to keep all of our students and families safe.

Scholastic Book Fair

You will be receiving a letter and class schedule regarding the Scholastic book fair which will take place at the school on Tuesday, Wednesday and Thursday next week. We generally do not have parents accompany their children, but for students in grades Pre-K, Kindergarten and First Grade, parents or grandparents can attend to support our youngest students. For Second through Fifth grades, students should be developing their independence and shop by themselves. Please note that all parents are invited to our in person February PTA meeting, where the Book Fair will also be open.

Girl Scouts

There has been a tremendous response with our girls wanting to be a part of Girl Scouts. At this point I believe all of the troops are now full. The meetings (which are held at our school) have begun; and we look forward to continuing our partnership with parents and the Girl Scouts. Stay tuned for those interested in buying cookies.

Preparation for Bad Weather Days

All classroom teachers, cluster teachers and related service providers have Google Classroom pages that serve as the main point of information. All students should know how to go onto those pages to find out information about their class.

If you have concerns regarding technology, the online platform, remote instruction, etc., please first reach out to the classroom teacher. If they are not able to assist, they will escalate the concern to me.
