Re: Annual Contract Extension of High Performance Facilities Contract

Attn: Doug Kaelin, Superintendent

American Modular is pleased to offer the Biggs Unified School District a four (4) Month Contract Extension for the High Performance Facilities Contract as allowed under the provisions contained in the Education Code and the original contract documents, specifically, "Information for Bidders" - Section 33 for all buildings under the Base Bid, alternates and additive alternates including the allowable CPI increase per the Bid. The new Contract period will begin on January 1, 2016 and will end April 30, 2016. There is no price increase during this extension period.

I thank you for your business and the positive relationship that has existed between American Modular and the Biggs Unified School District during the course of this Contract. I look forward to the extension of this Contract and the opportunity to work for and with the Biggs Unified School District to help meet the District's future construction needs.

If acceptable, please sign below and return acknowledging the District's intent to renew the Contract as proposed subject to Final Board Approval.

Sincerely,

Daniel Sarich
President
DMS/bk
