COMMENTS:

Last month, our school assembly focused on "safety." Today's assembly focused on "peace." Our Learning Garden Project is underway and we will have a parent work day in 2 weeks to continue building the garden.

After school programs will start this month and we have theater, piano, choir, art and tutoring. Our community of learners is going through the normalization period beautifully! The students are reviewing work, being introduced to new materials, getting assessed and building community. The school year is off to a great start!
