COMMENTS

September has been a fantastic month for community building and fundraising. We've sponsored multiple after school "meet-ups" at a variety of restaurants and have risen over \$1,500 to go towards field trips. On a different fundraising note, we have paired up sixteen, sixth grade with Intel employees to participate in the PC Pals program this school year. The proceeds of this program will go towards improving and adding to our campus technology. Also, in September we held our first River Café Coffee Mingle. We felt that it was so successful that we will continue to have it on a monthly basis, on the last Wednesday of the month. The River Café is offered as an invitation to have coffee or tea with the Principal and Dean of Students in the morning. It is held in the Multi-purpose room from 8:30-9:15 and anyone can pop in. It is our way of reaching out to our school community, to answer any questions, share suggestions, and/or a vehicle to get to know our community of parents better.
