## WHAT IS A SCHOOL-PARENT COMPACT?

A School-Parent-Student Compact for Achievement is a written commitment describing how all members of a school community—parents, teachers, principals, community members, and students—agree to share responsibility for student learning. This compact helps bridge the learning connection between school and home and is an agreement that parents, students, and teachers develop together. It explains how parents, students, and teachers will work together to make sure all our students reach grade-level standards.
