## HUMAN RESOURCES EMPLOYMENT NEEDS:

### Campus Happenings:

This past week, Orangevale held its 2<sup>nd</sup> annual Art Auction. The MP room was decorated with lights, and tables surrounded the room with crafts and food to purchase. The classroom art pieces were sold through a live auction. Afterwards, a student video, *A Day in the Life at CMP – Orangevale*, was presented. We raised over \$500 from the auction to support art at the campus, and the classrooms earned funds from their booth sales.

The Early Release Professional Development Days have been very worthwhile. This month the staff reviewed CAASPP results per grade and subject are, then they broke into curriculum level groups. One area in math that was determined as a growth area for us was the emphasis, and the groups brainstormed how best to present these concepts utilizing Montessori materials and extensions. The groups then presented to each other. We will continue to do this throughout the year to improve on instructional practices where needed.

During the PD Day previously, Jonathan Wolfe did an interactive presentation on how to communicate more effectively with parents, particularly when there are concerns. The staff greatly appreciated the information and Jon's approach. We all shared in a potluck of delicious, warm soups before getting underway.

The families and staff are very excited about the probability of a 7<sup>th</sup> grade at Orangevale next year. So far we have 6 commitments from current 6<sup>th</sup> grade families. We are in need of a total of 12 in order to proceed. Communication will go out to other CMP parents about an OR 7<sup>th</sup> grade, and that they may request a transfer. I am personally contacting families to answer questions and ask for their commitment.
