**Additional Information:**

Happy 2014! It was exciting to see so many smiling faces when we returned to school on January 2<sup>nd</sup>. What was even more impressive were the number of teachers that came in over our shortened break to get a jump start on their planning and preparations for the next school session. Staff (and students) are preparing for report cards, our upcoming Technology visits, Movie Night, Middle School Information Night, Recycling Assembly, and BEST Assembly we have going on this month. The highlight of the month may be, however, our Annual Watch Me Work Night on January 22<sup>nd</sup>. We have certainly started the New Year going at full speed.
