Dear MHS,

This is a reminder to MHS Parents/Guardians and Graduates on the steps to gain access to MHS. I thank you in advance for your cooperation, as this directly impacts the safety and security of our High School Community.

## **Parents/Guardians of current students**

- Visitors **with an appointment** are welcome during the school day, which begins at 7:05 am and ends at 2:45 pm.
- All visitors must enter through the **front main entrance**, provide identification (Driver's License), and wear the visitor pass for the entirety of your visit.
- If you have a circumstance where you are not able to make an appointment, please explain the situation to the monitor at the front booth.
- If visiting the HS after school hours for a sporting event or any type of extracurricular program, you are only permitted to be in the exact location (and restrooms) of the event you are here to attend.

## **Graduates** - *We love when you come for a visit, but please follow these steps*

- Graduates can visit between 2:02 pm - 2:45 pm (M - Th) by appointment. Please remember, although you are very valued by me and our staff, only current students may be in MHS during the instructional day (7:05 am - 2:02 pm).
- When you want to visit us, you must make an appointment with the staff member you want to visit. That staff member will then notify the administration and security team.
- When you visit, you must enter through the front main entrance, provide identification (Driver's License), and wear the visitor's pass for the entirety of your visit.

GO PAC !

Matt Lawrence, Ed.D.
