Campus Advisory Council (CAC)

The CAC is made up of five members (the school principal as Chair, two teacher representatives and two parent representatives), who meet once per month in an open forum for observation and participation by the school community. Currently we are still looking for a parent representative. If you are interested or have any questions, please don't hesitate to contact Ms. Kathleen at kmmmerz@cacmp.org or 916-714-9699. Members of CAC provide support to Ms. Kathleen by serving as a positive communication channel between the campus, parents, teacher and the community; guiding the fundraising activities at the campus; allocating donated resources in support of the campus' educational program; attending/supporting parent educational programs; and coordinating the Parent Participation program. At our August 27th meeting, CAC approved the ordering of sports jerseys for the volleyball and basketball teams! The jerseys have been ordered and should be arriving within the next 2 weeks (hopefully in time for our first game of the season). Our next CAC meeting is tonight at 5:00 at the BR site. The PTFC meeting will be immediately following.

IO Photography will be out on October 14th to take Pictures of the Diamond class and retakes for Elk Grove. They will also be out on October 19th at the Bradshaw site for retakes there.

What are CMPers Doing?

Isai scored 94% in math on the Academic Talent Search test through Sacramento State and qualified to participate in the program this summer. He took a chemistry class and got an A!

With Tagalog being his 2nd language of choice in Rosetta Stone, Isai has been welcomed to sit in a Beginning Tagalog class at Sacramento City College this fall. Rosetta Stone rocks!!

Scholastic Book fair

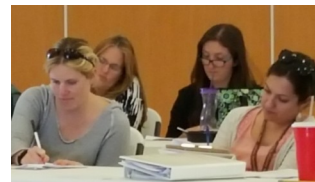

Our book fair coordinator, Natalie, is looking for volunteers to help with the monster themed book fair in November for both sites. She'll need volunteers for set-up and break-down of the fair, as well as selling the amazing inventory during the week and at the harvest festival. If you'd like more information, please email Natalie at Natalie596@mac.com.

Early Release

Professional Development Day

On our latest Early Release Professional Development Day, staff participated in a workshop facilitated by longtime Montessori educator and leadership trainer, Jonathan Wolff. As a continuation of our Love and Logic discussions earlier in the month, the focus of our workshop was on achieving our goals for CMP students through constructive and collegial relationships.

Jonathan Wolff

In addition to meeting with staff earlier in the day, Mr. Wolff also facilitated a Parent Education Event for families bridging the Montessori gap between home and school. Thank you to all of our parents who were able to attend this event. We hope you found it beneficial and we will be striving to bring other such parent education nights to our campus in the future.
