-------------------	------------------------------------

This has been a very busy summer for the CMP-EG staff. We ended the year with massive packing and support from many families.

All of our materials are packed, the portables are GONE, construction continues at the Bradshaw site, and CSD has been busy on the many renovation projects for CMP-EG@EG. The campus is looking beautiful!

Earlier this month, staff participated in our August In-Service days with great enthusiasm and excitement! Three staff members from CMP-EG presented at the All Staff Network training day. Though our year may be a little delayed in starting, we are all excited for the 2013-2014 school year!
