NOVEMBER 2016 ALL ABOUT US

Dear Families,

After a successful first two months learning about *Welcome to Pre-K* and *My Five Senses*, we are excited to continue with our new unit theme, *All About Us*.

In November, our unit, **All About Us** will guide children to learn more about themselves and the world they live in. Our *Essential Question* this month will be: *Who am I and who are the people in my life?* Together, students will ask *what makes me important and unique, what feelings do I have and why, what makes my class important and unique, and what makes my family important and unique.*

To further explore the importance of family, we will invite family members during the week of November 21st to come in and read to the class or lead an activity during center time. Suggestions include a cooking experience (please be mindful to food allergies posted in class), reading a favorite book, sharing a new language, song, or type of music. If you are unable to share your time in class, you are welcome to share items with the class by bringing it in.
