

Thank you, Level Green Faculty, Students, and Families, for a Great Sixth Annual Walk-A-Thon!

You did a fantastic job walking and fundraising! The money raised will help the LG PTO continue to support the terrific programs our students enjoy.

Congratulations to our special prize winners:

- ☆ Aubrey Wise for highest amount of donations collected!
- ☆ Ella and Lucas Barnes for getting a donation from the farthest distance, Sao Paulo, Brazil!

Thank you very much to everyone for your participation!

Bonus fun for students - Test your geography skills by using a map to see if you can locate some of the other far away cities from which we received donations.
