

**Christ the King School**  
**Physical Education/Sports Participation Form**

Dear Christ the King Parent,

In order to participate in physical education class or to play any sport under the Christ the King School name, the information requested below must be returned to the school office. Every student who participates must have this form on file in the school office.

At the present time, our Parent-Student Handbook states that this is a requirement. It is no longer a requirement, but a recommendation that your child have a physical form on file. Our school does not provide for physicals, so it is your responsibility to choose to provide the school with a completed physical form.
