INDEPENDENT AUDITOR'S REPORT

Governing Board
California Montessori Project
Capitol Campus
5330-A Gibbons Drive, Suite 700
Carmichael, CA 95608

We have audited the accompanying statement of financial position of California Montessori Project - Capitol Campus (the School), a California public charter school operated by California Montessori Project, a California non-profit corporation, as of and for the year ended June 30, 2012 as listed in the table of contents. These financial statements are the responsibility of the School's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall basic financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the School as of June 30, 2012, and the changes in its net assets and cash flows for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated December 10, 2012 on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information on pages 14-18 is presented for the purposes of additional analysis. These schedules are not a required part of the basic financial statements. The supplementary section is the responsibility of management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

NOTES TO THE FINANCIAL STATEMENTS
June 30, 2012

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Organization

The California Montessori Project, A California Charter School, Inc. (the Schools) was formed to provide a Montessori based educational program to every child in the state of California. The California Montessori Project – Capitol Campus (the School) was approved in 2006 by the Sacramento Unified School District (the District) to operate as a separate Charter. The School site is currently located in Sacramento. The School is an operating segment of California Montessori Project, Inc., a non-profit Corporation. The School is funded principally through the California Department of Education and the District. The School is governed by a Governing Board consisting of one teacher, one parent, the District Superintendent or designee, one Montessori community member, one business community member, one charter community member, and one public member from the community at large. In addition, the currently employed Director(s) will sit on the Governing Board as non-voting members.

The District has granted the charter through June 30, 2016, subject to amendment and renewal. The charter may be revoked by the District only for material violations of the charter, failure to meet student outcomes identified in the charter, failure to meet generally accepted standards of fiscal management, or violation of any provisions of the law.

The School has a memorandum of understanding with the District whereby the School pays the District 1% of the School's per pupil revenues to provide administrative oversight.

Basis of Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States as prescribed by the Financial Accounting Standards Board (FASB). The School is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted.

Net assets of the School consist of the following:

- Unrestricted: All resources over which the governing board has discretionary control to use in carrying on the general operations of the School.
- Temporarily restricted: These net assets are restricted by donors to be used for specific purposes. The School does not currently have any temporarily restricted net assets.
- Permanently restricted: These net assets are permanently restricted by donors and cannot be used by the School. The School does not currently have any permanently restricted net assets.

NOTES TO THE FINANCIAL STATEMENTS
June 30, 2012

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Cash and Cash Equivalents

The School's cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition.

Revenue Recognition

Amounts received from the California Department of Education are recognized as revenue by the School based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in unrestricted net assets if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in temporarily restricted net assets.

Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supportive services benefited.

Contributions

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor as required by financial accounting standards. Amounts received that are designated for specific use in future periods are reported as temporarily restricted. When the restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets for expenditure.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (continued)

Contributed Services

Generally accepted accounting principles require that contributions of donated services that create or enhance non-financial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are to be recorded at fair value in the period received. Although the School receives numerous hours of volunteer time, it is not deemed necessary to record these hours on the books of the School based on the above guidelines. In addition, the School receives donations of immaterial equipment and supplies which are not recorded upon receipt.

Property, Plant and Equipment

Property, plant, and equipment are capitalized at cost (or estimated historical cost) if purchased or at estimated fair market value as of the date received if donated. The school capitalizes expenditures for property and plant, in excess of $25,000 and equipment in excess of $10,000. Plant and equipment is depreciated using the straight-line method over the following useful lives:

Description	Estimated Lives
Buildings and Improvements	30 years
Tenant Improvements	7 years

Compensated Absences

Accumulated unpaid employee vacation benefits are recognized as a liability of the School. The current portion of the liability, if material, is recognized in general fund at year-end. The entire compensated absences liability is reported on the statement of financial position.

Employees of the School are paid for days or hours worked based upon Board approved schedules which include vacation. Sick leave is accumulated without limit for each employee at the equivalent rate of one day for each full month of service. Sick leave with pay is provided when employees are absent for health reasons.

State Apportionments

Certain current year apportionments from the State are based upon various financial and statistical information of the previous year. Second period to annual corrections for revenue limits and other state apportionments (either positive or negative) are accrued at the end of the fiscal year.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (continued)

Property Taxes

Secured property taxes attach as an enforceable lien on property as of March 1. Taxes are levied on September 1 and are payable in two installments on or before December 10 and April 10. Unsecured property taxes are not a lien against real property and are payable in one installment on or before August 31. The County bills and collects property taxes for all taxing agencies within the County and distributes these collections to the various agencies. The sponsor agency of the School is required by law to provide in lieu property tax payments on a monthly basis, from August through July. The amount paid per month is based upon an allocation per student, with a specific percentage to be paid each month.

Subsequent Events

All events subsequent to the balance sheet date of June 30, 2012, through December 10, 2012, which is the date these financial statements were available to be issued, have been evaluated in accordance with financial accounting standards.

Income Taxes

California Montessori Project is a non-profit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes.

Management has evaluated its tax positions and the certainty as to whether those positions will be sustained in the event of an audit by taxing authorities at the federal and state levels. The primary tax positions evaluated are related to the Schools' continued qualification as a tax-exempt organization and whether there are unrelated business income activities conducted that would be taxable. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. The Schools file informational returns in the U.S. federal jurisdiction, and the state of California. The statute of limitations for federal and California state purposes is generally three and four years, respectively.

NOTE 2 - DEPOSITS:

Concentration of Credit Risk

The School maintains bank accounts with a single institution. Accounts at this institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000. At June 30, 2012 there were no deposits in excess of the FDIC limit.

NOTE 2 - DEPOSITS: (Continued)

Cash in County

In accordance with Education Code Section 41001, the School maintains substantially all of its cash in the County Treasury as part of the common investment pool. These pooled funds are carried at cost which approximates fair value. The fair market value of the School's deposits in this pool as of June 30, 2012, as provided by the pool sponsor, was $190,120.

The County is authorized to deposit cash and invest excess funds by California Government Code Section 53648 et. seq. The County is restricted by Government Code Section 53635 pursuant to Section 53601 to invest in time deposits, U.S. government securities, state registered warrants, notes or bonds, State Treasurer's investment pool, bankers' acceptances, commercial paper, negotiable certificates of deposit, and repurchase or reverse repurchase agreements. The funds maintained by the County are either secured by federal depository insurance or are collateralized. Interest earned is deposited quarterly into participating funds. Any investment losses are proportionately shared by all funds in the pool.

NOTE 3 - EMPLOYEE RETIREMENT PLAN:

Qualified employees are covered under multiple-employer defined benefit pension plan maintained by the State of California. Certificated employees are members of the State Teachers' Retirement System (STRS).

State Teachers' Retirement System (STRS)

Plan Description

The School contributes to the State Teachers' Retirement System (STRS), a cost-sharing multiple-employer public employee retirement system defined benefit pension plan administered by STRS. The plan provides retirement, disability and survivor benefits to beneficiaries. Benefit provisions are established by State statutes, as legislatively amended, within the State Teachers' Retirement Law. STRS issues a separate comprehensive annual financial report that includes financial statements and required supplementary information. Copies of the STRS annual financial report may be obtained from STRS, 7667 Folsom Boulevard, Sacramento, CA 95826.

Funding Policy

Active plan members are required to contribute 8.0% of their salary and the School is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the STRS Teachers' Retirement Board. The required employer contribution rate for fiscal year 2011-12 was 8.25% of annual payroll. The contribution requirements of the plan members are established and may be amended by State statute.

NOTE 3 - EMPLOYEE RETIREMENT PLAN: (Continued)

Contributions to STRS

The School's contributions to STRS for each of the last three fiscal years are as follows:

Year Ended June 30,	Required Contribution	Percent Contributed
2010	$47,100	100%
2011	$54,863	100%
2012	$56,731	100%

NOTE 4 - OPERATING LEASES:

The School has entered into various operating leases for facilities and equipment, with lease terms in excess of one year. All agreements contain a termination clause providing for cancellation after a specified number of days written notice to lessors, but it is unlikely that the School will cancel any of the agreements prior to the expiration date. Current lease expense for the year under these agreements was $76,001. Future minimum lease payments under these agreements are as follows:

Year Ended June 30	Lease Payments
2013	$ 79,897
2014	79,897
2015	79,897
2016	79,896
Total	$ 319,587

NOTE 5 - CONTINGENCIES:

State Allowances, Award, and Grants

The School has received state funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate expenditure disallowances under terms of the grants, it is believed that any required reimbursement will not be material.

NOTE 6 - PROPERTY, PLANT, AND EQUIPMENT:

As of June 30, 2012 the cost and accumulated depreciation of property, plant and equipment was as follows:

	Balance June 30, 2011	Additions	Retirements	Balance June 30, 2012
Building	$ 25,650	$ -	$ (25,650)	$ -
Building improvements	22,432	-	(22,432)	-
Totals at historical cost	48,082	-	(48,082)	-

NOTES TO SUPPLEMENTARY INFORMATION
For the Year Ended June 30, 2012

NOTE 1 - PURPOSE OF SCHEDULES:

A. Schedule of Average Daily Attendance (ADA)

Average daily attendance is a measurement of the number of pupils attending classes of the School. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of state funds are made to charter schools. This schedule provides information regarding the attendance of students at various grade levels and in different programs.

B. Schedule of Instructional Time Offered

This schedule presents information on the amount of instructional time offered by the School and whether the School complied with the provisions of Education Code Sections 46200 through 46206.

C. Reconciliation of Annual Financial and Budget Report to Audited Financial Statements Net Assets

This schedule provides the information necessary to reconcile the fund balance as reported on the SACS Form to the audited financial statements.

D. Reconciliation of the Statement of Financial Position Net Assets to Fund Balance that would Be Reported Under Governmental Accounting Standards

This schedule reconciles net assets as reported in the Statement of Financial Position to fund balance that would be reported under Governmental Accounting Standards.

E. Reconciliation of the Statement of Activities Total Change in Net Assets to Change in Fund Balance that would Be Reported Under Governmental Accounting Standards

This schedule reconciles the total change in net assets as reported in the Statement of Activities to change in fund balance that would be reported under Governmental Accounting Standards.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Governing Board
California Montessori Project
Capitol Campus
5330-A Gibbons Drive, Suite 700
Carmichael, CA 95608

We have audited the financial statements of California Montessori Project - Capitol Campus (the School), as of and for the year ended June 30, 2012, and have issued our report thereon dated December 10, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

Management of the School is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the School's internal control over financial reporting as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the School's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency or a combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Board, management, the Sacramento City Unified School District, the Sacramento County Office of Education, the California Department of Education, and the State Controller's Office and is not intended to be and should not be used by anyone other than these specified parties

INDEPENDENT AUDITOR'S REPORT ON STATE COMPLIANCE

Governing Board
California Montessori Project
Capitol Campus
5330-A Gibbons Drive, Suite 700
Carmichael, CA 95608

We have audited the compliance of California Montessori Project – Capitol Campus (a California public charter school operated by California Montessori Project) (the School) with the types of compliance requirements described in the *2011-2012 Standards and Procedures for Audits of California K-12 Local Educational Agencies,* published by the Education Audit Appeals Panel for the year ended June 30, 2012. The School's State compliance requirements are identified in the table below. Compliance with the State laws and regulations as identified below is the responsibility of the School's management. Our responsibility is to express an opinion of the School's compliance based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards for financial and compliance audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the *2011-2012 Standards and Procedures for Audits of California K-12 Local Educational Agencies,* published by the Education Audit Appeals Panel. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the specific areas listed below has occurred. An audit includes examining, on a test basis, evidence about the School's compliance with those requirements and performing such other procedures as we consider necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determine of the School's compliance with those requirements.

In connection with the audit referred to above, we selected and tested transactions and records to determine the School's compliance with the laws and regulations applicable to the following items:
